instructions

This scavenger hunt will take you on a journey to keep Knoxville beautiful. Get outside and around the neighborhood to see what you find.

How to play:

1. put an X on each item you are able to find either in your house or outside in your backyard.
2. Each item is either good or bad for our environment. Think about how the item you X off plays a role in keeping our community clean, green, or beautiful.
3. The first person to get 5 in a row gets BINGO! The KKB logo is free box to give you a jump start.
4. Have fun! Post pictures of your hunt and completed BINGO card. Be sure to tag KKB!
